We're the Central Oregon Partnership,
a regional non-profit 501(c)3 organization
comprised of seven Community Action Teams
(CATs) in Bend, La Pine, Madras, Redmond,
Prineville / Crook County, Sisters, and
Warm Springs.

The Partnership works in collaboration with existing public agencies and private sector organizations to implement new initiatives and attract new sources of funding at the local and regional level.

We serve as:

Advocates Raise awareness about poverty in our communities and in the region, engage local citizens in efforts to break the cycles of poverty.

Planners Identify community priorities and points of highest leverage for breaking cycles of poverty.

Catalysts Build collaborations to address community priorities for cycle breaking work, provide support for collaboration at the community level by encouraging volunteer support and by raising funds.

Learners Evaluate what works and what is less effective, share the knowledge. Celebrate the success of those who are making a difference—individuals, project teams, organizations.

how to help

**PLEASE HELP
IMPROVE LIFE FOR ALL of US**

HELP BREAK THE CYCLES

Each of us has the power to help people find their way out of poverty. There are many ways you can get involved.

Join your local **Community Action Team (CAT)** and make a difference. Add your distinctive voice to the chorus of hope.

Volunteer your Time to the Partnership, one of our projects, or one of many meaningful positions with various Central Oregon organizations. Know that your gift of time is part of an organized, coordinated effort.

Donate to the cause. Your tax deductible donation will help attack poverty at its root.

Sponsor a program. Your business can give back to the community that supports it. We welcome much needed donations of equipment, staff, materials, and funds.

Promote the mission. We can all donate small no-cost and low-cost contributions in the form of promotion.

Partner with us. If you're part of an organization with a Project which helps alleviate poverty in Central Oregon, then we'd like to hear from you.

JOIN AN ACTION TEAM

Lend your time and talents to an organization that provides valuable support to our lower income neighbors. Help us break the cycles of poverty.

The Partnership is comprised of seven Community Action Teams (CATs). Each CAT is engaged with local citizens in work to break cycles of poverty and assist those in the lowest economic quartile to build personal and financial assets for a better future for themselves and their children.
